SCORING – one point for each hole won and 3 points for low total (24 points possible)

Only give 16 strokes. Possibility of 2 strokes every hole except on 3 & 6, give 1 on those

Post your score on the handicap sheet each week and place your score card in the bag provided.

RAIN OUT – In the event of a rain out, please contact the team you were supposed to play to come to an agreement on how to make up those scores. There will be no official make-up week. Please either make it up prior to the next week; or you may choose to match scores using the following week’s round. Please note that the team with a BYE the week after the rain out would need to come if not made up beforehand.

If unable to play, please contact a sub. There is someone with a BYE every week that you could check with. If a sub cannot be found please notify your opponent prior to Tuesday @ 3:00 and come to an agreement on how to make it up. i.e., make it up prior to the next week/split points(12-12)/match scores from the following week’s league night.
